

Sample Ballots Available to Voters at scVotes.org

Sample ballots are now available to voters at scVOTES.org. Personal sample ballots have never been available to voters before, and we need your help letting people know these are available. It's already included in the voter checklists sent to each county office, but as you do voter education, let's remind voters that this is here. Voters have been asking for a service like this for a long time in SC, it's now time to let them know it's here.

1. Visit scVOTES.org and click on "Get My Sample Ballot" in the MyscVOTES Section on the right side of the page.
2. Enter your county, name, and date of birth to access your voter registration record.
3. Click "View Sample Ballot."
4. Select a party (primaries only), then click the button to download your ballot.
5. Click "OK" to view a .pdf of your ballot.
